Leighdale Equestrian Centre Committee of Management

Happy to have been an integral part of the Tom Curtain gig which I think was a good community event for the LEC.

We had a brilliant 'rally' last weekend using the big sand arena and XC course. We are very much looking forward to our Christmas party on 14th December.

OTHER BUSINESS

Meeting Structure – Suggest bi-monthly meeting and in between for KD to ask for reports which would be circulated to everyone.

Cohesiveness of Committee – General discussion about how we communicate and need for kindness. Need to set some parameters about the messenger group. People should think before sending messages, be more professional and messages should not be sent after 9.00pm. We have come a long way.

Indoor Pricing – Space to co needs to be implemented. RB moved the motion that she implement the system and that booking rate will be \$25 for private and \$20 for shared. RB we had talked about getting someone to harrow. DL has someone to approach about this.

Roles and responsibilities of home users complaints – checklist for what needs to be done at the end of use needs to be tweaked.

Casual user pricing for next year – Current year 1/1 to 31/12

Family is \$150, Individual \$100 approved

Day membership Family is \$30 and individual \$15

Free open evening showcasing the indoor for people.

Home users fees - possibility of increase – carried over till next year.

RB and AM to send KD the entry information from the freshman's to collate for council.

LEC now have a Tyro that is available for use.
